Balancing the demands of modern life is an enormous challenge, and one that often finds us placing ourselves at the bottom of an ever growing to-do list. It's time to stop, reassess, and explore loving and gracious ways to find greater balance. This weekend is dedicated to the development of the woman's mind, body and spirit. The focus is on the health of the whole person and living into the life God dreams for each of us. Visit the [rmcumc](http://rmcumc) event calendar online for more info.
