Sunday, May 21, 2017

We would like to give thanks to our liturgists and AV teams: Kris Flewelling, Ryan Kirkpatrick and Lee Ann Lathrop

## Health Kit Donations Through May

The Outreach team will be collecting toothbrushes, soap, washcloths, combs, bandaids, clippers/files, hand towels, and good ziplock gallon baggies during May for health kits. All donations are gratefully accepted and appreciated.

## VBS Needs Boxes!

We need boxes of all sizes to help us build our Hero Central city. If possible, please wrap the boxes in solid black paper and leave them in Room 110. Then plan to come to VBS and check out our city!

## Walk the Labyrinth! Tuesday Mornings at 9:00 am

You're invited to join Deea Frisbie in walking the Labyrinth Tuesday Mornings at 9:00 am, weather permitting. Labyrinths offer an opportunity for both gentle physical and deeply spiritual activity. Journeying to the center of the labyrinth employs a series of twists and turns that aren't meant to trick, but to help unwind our busy minds and let go of thoughts and patterns that are not serving us. The center of the labyrinth provides an opportunity for rest, illumination, and quiet centering. Returning from the center outward allows us to reset our minds, and prepare to utilize our insights gained at the center in our daily lives and spiritual practice. We hope that you will join us for this exercise in mindfulness.

## Sign Up for VBS!

Mark your calendars now! We will host VBS 2017 June 12 – 16 from 9:00 am – 12:30 pm each day. Find out more, sign your kids up, or sign yourself up to help out online at [mtview.org/vbs17](http://mtview.org/vbs17).

## Help Belinda Travel to Honduras

Belinda Strickland has an opportunity to serve as a nurse at an UMCOR medical clinic in Honduras, June 17-24, 2017. Mountain View volunteers will work as rope and wave sign

holders at the Bolder Boulder on May 29 and the funds paid by the Bolder Boulder race organizers will be applied to Belinda's travel account. To register as a volunteer, please contact either Belinda or Cheryl Runyon. Thank you for your support of Belinda and her opportunity to help our neighbors in Honduras.

## Attendance Logs: A Valuable Tool

When the attendance log comes around, please fill it out completely and, at the 10:30 service, please return it to the outside aisle. Even if you've been a member for 20 years, others in your aisle may be new. Including your address helps them make a connection, and it also encourages visitors to share their contact information so we can follow up and invite them to join us again. Attendance logs also help us monitor the health of the congregation and helps the Care Team tend to those in need.

## Bridge of Love Offering Starts Next Week

As a part of this year's Rocky Mountain Annual Conference theme of "Living into Beloved Community" and the specific focus on Food and Water Security, the annual Bridge of Love Offering will support efforts to alleviate World Hunger and Poverty with the United Methodist Committee on Relief (UMCOR). Your loose change can be deposited in the labeled jars in the Narthex, South Kitchen or Church Office from May 28 – June 11. Your support is much appreciated!

## New Look...Same Purpose

Hope you've noticed the 'new look' when you donned your nametag. Love 'em or hate 'em, nametags help us learn and remember and greet one another by name. So, wear your nametag during worship and at other Mountain View events. NOTE: We hope we used the name you prefer and spelled it correctly. If we didn't, or if you didn't find a new nametag in your box, or need nametags for your children, leave a note on the sheet by the rack.

## An Update from David Askey at Pine Ridge, South Dakota Doing Mission work for Trees Water People

David arrived on Wednesday, May 10 north of the town of Pine Ridge, South Dakota. He is staying in the Sacred Earth Lodge, a place where groups of guests will be staying and one of about 10 buildings on the property. May is the month to plant trees which he started doing this week with a crew of about 28. David and the tree-planters he works with and their families are very spiritual and find much in common in discussing the beauty of creation, God as creator, and the role of humans as stewards of the earth. David says all prayers and words of encouragement are welcomed and that Mountain View is in his prayers as well. More updates to come.
