

Mountain Views August 6, 2017

We would like to give thanks to our liturgists and AV teams: Connie Balazs, Belinda Strickland, Lynne Pierce, Dick Habighorst, and the Kaufmans.

Free Ugandan Children's Choir Concert: Friday, August 11, 7:00 pm

Join us for a free concert from the high-energy Ugandan children's choir, Imani Milele. Experience "True Africa" through culturally unique music, dance and drum routines. Imanis' vibrant costumes and enthusiastic energy creates a dynamic performance for all to enjoy. These concerts bring people of all ages the hope of a brighter future through Jesus Christ. There is no cost to attend but a free-will offering will be collected.

Trustees Need Help!

We need your help to keep our church grounds beautiful! Trustees have a lot of projects on their hands and could use the help of our congregation for some simple weeding. Even 30 minutes of your time pulling some weeds in any of the church's rock areas or labyrinth would make a big difference. Trustees have a work day on Saturday, August 12, but you're free to do some weeding whenever you like!

Blessing of the Backpacks: August 20

Join us for a special service where we will bless the teachers, students, and administrators amongst us as they head back into another school year.

Brunch on the Patio: August 26

Calling all Home Builders for our annual summer brunch on the morning of August 26 at 10:00 am. Hosting will be Dennis and Barb Bergin at 16305 Handies Way in Broomfield. Please bring one of your favorite breakfast delights to share with others and your own table service. Tea, lemonade and coffee will be provided as well as fun, games and fellowship. You do not have to be a member of Home Builders to attend - all are welcome and we always enjoy seeing new faces in our group. If you need directions call Barb at 303-494-6785 or e-mail her at knoxbarb@msn.com. Hope we see a great turnout this year!

Mountain View to Serve Dinner at Boulder Homeless Shelter: August 27

Boulder Homeless Shelter is seeking a few (two or three) good cooks on Sunday, August 27 (4:45 - 7:30 pm) to help prepare dinner for its summer residents. Belinda Strickland will be our lead chef and coordinator. If you have always wanted to be creative and serve a large number of hungry folks, this is your opportunity. Please email Belinda at sbstrickland@me.com or Cheryl Runyon at cheryl.runyon@comcast.net and we will add you to our list. Many thanks!

Puzzling in the Narthex

Put your eyes and powers of deduction as Mountain View again works together on a jigsaw puzzle. Beginning this Sunday, a wonderful puzzle illustrating the last moments of the story of Noah's Ark will be available in the Narthex. Spend some time, find a piece, and enjoy fellowship and the satisfaction of being a part of putting something together!

Slightly Larger Little Free Library

Please look for the new, indoor,

slightly larger little free library under the nametag holders in the Narthex. We are beginning to collect and share books for children, youth, and adults-members, friends, and guests of Mountain View. If you have books to share, please add them to the bookends on the credenza. Thank you for your support of this project to share our books (and interests) with others.

Free the Girls Bra Collection

Free the Girls bra collection. This non-profit began in Centennial, CO with the purpose of collecting gently used or new bras (the more colorful the better) that would be shipped to Africa and El Salvador for survivors of human trafficking to sell to other women; the entrepreneurs are working to support themselves and family members. By selling a women's product, these survivors do not have to be 're-victimized' by men and can control their destiny. We will deliver the collection to Heart of Longmont UMC (a collection point) on August 12. For more information, visit www.freethegirls.org. Look for collection boxes in the Narthex.

Prayers:

Joy/Thank you

- Many thanks to our Mountain View members and friends who donated their time, school supplies, and cash donations to the Crayons to Calculators program. Thank you for your kindness and generosity. For more information about the program, visit CrayonstoCalculators.org.
