Festival Choir

The Mountain View Christmas Festival Choir has begun rehearsing! Join in on Wednesdays at 7:00 pm in the Sanctuary. All members of the congregation are invited to join with the Chancel Choir to sing for our Mountain View Sings worship services on December 17 and our 7:00 pm Christmas Eve service on December 24. All you have to do is show up at 7:00 pm on Wednesdays, rehearse the Christmas music for the first 30 to 60 minutes of the rehearsal, and then you will be free to leave as the choir continues rehearsing their other music. This is the perfect opportunity for those folks who cannot make a full-year commitment to the choir, but love singing choral Christmas music. We hope to see many of you there. ALL are invited!

November 5, 2017

Reformation & All Saints Sunday Observance

On October 31, 1517, Martin Luther posted 95 Theses (propositions) on the door of the Wittenberg Castle Church as an invitation to debate the sale of indulgences for forgiveness. That event sparked a reform movement that eventually led to the Protestant Church. While there is much sorrow in the disunity which the Reformation caused, Luther did establish the idea that the Church is always in need of reform in the light of the Gospel. Luther's primary principal that Christians are justified by God's Grace through faith in Christ has also found universal acceptance among denominations. Today we pray for church unity, for the purity of God's word, and for a church that is always open to reform and the guidance of the Holy Spirit.
