### Crayons to Calculators Donations

Crayons to Calculators is a multi-district school supply distribution that ensures 11,000 students in the Boulder Valley and St. Vrain Valley school districts start the year with the supplies they need for a successful and strong academic year. This year Crayons to Calculators is asking for financial contributions to help purchase prepackaged supplies for Pre-K, elementary, middle and high school students. Through their wholesale partners, they are able to purchase more supplies, stretching your dollars further.

Starting July 1, we at Mountain View UMC can make cash or check donations to:  
Impact on Education  
Crayons to Calculators  
721 Front Street, Suite A  
Louisville, CO 80027

You may also donate by:

- Visiting [crayonstocalculators.org](http://crayonstocalculators.org)
- Write a check to Mountain View UMC with Crayons to Calculators on the item line.

Last year the program was unable to collect school supplies from the community and engage volunteers in their school supply distribution due to the pandemic. Despite all the changes, Crayons to Calculators succeeded in distributing over 15,000 backpacks to students in need! Thanks to all who contributed!
